Dear Sir:

In response to the office action mailed June 25, 2002, Applicants provide the following amendments and remarks.

In the Drawings

Applicants propose amending the drawings as indicated on the attached Proposed Drawing Correction.

In the Claims

Please amend claims 1-3 as follows.

1. (Amended) A rear-projection image display, comprising:
a trichromatic image projecting section including three image projecting sections corresponding to colors of red, green, and blue, respectively, the three image projecting sections being arrayed in one horizontal plane, each of the three image projecting sections including an
